- **Review the current status of all objectives**
 - Deniz and Ryan can go through the document and update the resources on the Mini Strategic plan. (Strategic Plan 2025)
 - We will just restart the Strategic Plan Document with the comments starting in September 2024.
 - Deniz asked Laura to see what AACSB would like to see from SPC.
 - We will check in with Monika about the Gellert Center and also ask John Cromwell or Coughlin about Entrepreneurship and Innovation?
 - Deniz to share the Google Drive and all files and will send a link to the Job Allocation, Sources and Stakeholders.
 - If we have items that have not been started, should we just cut the items?
 - We could even separate them and possibly roll over into the 2025 Strategic Plan?
 - We do not have enough personnel to follow through with the unstarted projects.
 - Maybe just have an updated priority list and ask the dean what she would like the committee to do with the unstarted projects.
