      1. Motion to approve agenda passes

- Check in: Senator updates
4. **New Business** [5:30 pm - 5:35 pm]
  - a. [Menstrual Product Equity Resolution](#)
    - i. Presented amendments made to previously voted on resolution. Took out Whereas and Resolved statements calling on Facilities to take out current menstrual products and replace it with listed ones. They found we didn't have necessary information to ensure that the change would adequately address the issue. Studies cited were using popular brands on the market, but didn't list which products were found to have harmful metals and chemicals. Now the resolution focuses on prompt restocking of menstrual products in mens, womens, and gender neutral bathrooms.

b. Opening of Financial Accounts

i. Analytics Club

1. Unites students from diverse majors to empower students passionate about data, innovation and decision making

ii. PERIOD

1. Provides education to combat stigma and educate people about menstruation health

iii. Emi motions to vote to approve both financial accounts

1. Autumn seconds

- a. Motion to approve passes

**5. Open Forum**

[5:35 pm - 5:50 pm]

- a. Title IX Representative, working to have service animals come for [Sexual Assault Awareness week I think]. Have some law student educate about the importance of service animals, Hoping to also help draw in students for engagement to help facilitate conversations and educations about Sexual assault
- b. Vice President of Advocacy, Using notes from the Food Committee, Garrett asked the Senate to disperse information to students about the surveys and resources to the student body. BonApp is adding a rotating \$11 value menu at different stations each day. Some difficulty in the Flexie-fairy system and the logistics of that. Currently working on a voucher system to hopefully address some concerns while figuring out the flexie-fairy system.

**6. Town Hall Updates**

[5:50 pm - 6:10 pm]

a. Teach In Event (3/19 Xavier Auditorium)

- i. An information session to help students know about everything going on in the world under this current administration. Covers a number of issues, the climate, rights and freedoms, Queer and trans issues, immigration.
- ii. Supported by the USF Debate team as well as ASUSF SENate. Some guest speakers are professors and department heads, and other

experts in the fields up for discussion. Bulk of the event will be dedicated to Q&A to help students get some answers and clarity.

iii. Outreach!

1. This idea came to us from a student, it's important that we support them as their advocates and make this a successful evening that fulfills their need

b. Budget Town Hall (4/2 Xavier Auditorium)

i. How can we improve this event?

1. Suggestions about who else to invite to provide support for the Q&A portion.
