3. **Ballot Measure Discussion**

[7:05 pm - 7:20 pm]

- President Karani has vetoed the vote from last week to remove the GPA ballot measure from the Spring 2025 ballot.

Edgar motions to reverse President Karani's veto.

- a. Chibuike seconds.
 - 1. Discussion of the motion was held.
- A point was raised that this ballot measure addresses the cumulative GPA rather than one semester. This gives students some grace if extenuating circumstances occur in just one semester.
- The IA committee reiterates that the goal of making this change is not to prohibit students from joining senate, but is to raise the bar and demonstrate the potential to excel as a senator.
- GPA is not a universal indicator of performance and based on major the demands may not be the same so it is not the most important factor in determining eligibility.

Voting:

- One in favor.
- 7 opposed.
- 2 abstentions.

President Karani's veto will stand and there will not be a ballot measure on the Spring 2025 ballot regarding GPA for senators and executives.

Litzell motions to table the discussion.

a. Autumn seconds.

- Unanimously, this discussion will be tabled.

4. Announcements

[7:20 pm - 7:25 pm]
