2. Approval of Minutes

- Rebecca motions to approve
- Austin seconds
- Motion approved

3. Approval of Agenda

-

4. Open Forum

- a. Anyone who wishes to address the Senate
- b. Julie Orio
 - Moved all learning to remote online knowing students may not be able to do this
 - Meaning we have added new resources for extra stays within the dorms, extensions, longer stay, etc.
 - Faculty and staff are remote as well
 - Faculty and staff are trying to understand and figure out ways what is best for students
 - Student employment is a big thing where they are able to stay on campus

Questions

1. How is the dea emergency fund working
 - a. Student emergency fund that is through student life where it has been sent out communication wise for gifts to be added
 - b. In the past it was 600\$ but now they are thinking for it to be a \$300 max
 - c. There are different criteria that the groups look like
2. When will students that lived on campus receive refunds for flexi and housing?

- a. Priority is processing exemptions and once all is in place then we will know who is on campus
 - b. Student accounts is working through all of it now
 - c. Flexi - students can request the refund ; they can also donate funds to the food pantry
3. How does the current situation affect continuing student registration for fall 2020?
 - a. They are trying to stick to the same schedule
 - b. Want students to get ready for the fall and summer
4. How has the school communicated with students who are staying - on campus about protocol if another resident within their dorm has the virus?
 - a. There are protocols in place
 - i. In case they have symptoms, feelings, sickness
 - ii. Working with public safety
 - iii. Right now there is not a positive test within our community
 - iv. And if they do test positive then san francisco public department will come in and we will work with them further on
5. How strict or lenient are we allowed to be with respect to students' needs for extensions/exemptions for checkout while still respecting CDC and SF guidelines?
 - Team is working through this now
 - Working through different unique needs
 - Priority is students needs that are on campus now
 - Follow up question: SHARE listed some of the students that file into categorization within exemptions and not extensions, can you provide details upon prioritization and how the process is ?
 - They are mostly granting all of the extensions
 -
6. Can you please clarify, I believe the food pantry is closed for this Friday, right? while these arrangements are made
 - Food pantry is not open
 - Produce would be done within an open space and follow all the san francisco guidelines
7. Do you know what percentage of the deans emergency fund has already been used?
 - Can get the information and will share it back
8. Is there anything the senate can do?
9. How are we accommodating students as we move to online learning?
 - a. There is a struction committee since they learned about COVID-19
 - b. SDS is step up and is reaching out to students now
 - c. And if the problem does come up they will be ready to help out when needed
10. Do you know when they are going to make decisions about graduation?

- a. Heartbreaking to talk about
- b. There will be a certain date where they will announce if graduation will proceed or postpone. If postponed they will provide information what it will look like

5. New Business:
