Jayden Joeckel

Major: Politics

Minors: Legal Studies; Environmental Studies

Tuition, Transparency, and Free Speech. These are the three biggest issues facing our university's students and they are the reasons I am running to be your ASUSF Senate President. My allegiance is not to the administration, it is to you, the student body. I am a proud Black, Connecticut-born anti-imperialist and an advocate for human rights from Palestine to the Philippines. My strongest belief is in international solidarity, meaning all our struggles are interconnected, and none of us are free until we're all free. On campus I am active in the Palestinian Student Association, the Supporting Immigrants and Refugees Club, and USF Votes. Off campus, I am a proud organizer with the San Francisco

Committee for Human Rights in the Philippines. I look forward to fighting for you.

I believe I am a good fit for this role because I have experience in leadership positions at my former school, specifically as the president of NSLS and as the VP of the Phi Theta Kappa National Honor Society. These roles taught me the imperative leadership and time management skills necessary at ASUSF.
