## FRESHMAN CLASS REPRESENTATIVE

**Chloe Phillips**

*Major: Psychology*

Hi, I'm Chloe Phillips, I am from Dallas Texas and a passionate student at USF running to be your Freshman Rep. In high school, I served as Student Body President, Class President of 2025, Yearbook Editor, CTE Ambassador, and President of the Black History Club. These roles taught me how to lead with empathy and create inclusive spaces. I'm running because I believe every freshman deserves to feel heard, connected, and empowered. If elected, I'll focus on three goals: amplify freshman voices through open forums, launch a "Freshman Spotlight" series to celebrate our stories, and build bridges between majors through creative events. Let's make our first year unforgettable.

**Elena Herrera**

*Major: Marketing*

Hi! My name is Elena Herrera. I'm a marketing major here at USF looking to make a difference here on campus. As Freshman Class Representative, I will advocate on behalf of every freshman's needs, ensuring that our campus continues to be a safe and inclusive space. I truly value the importance of mental health, communication, and making USF a fun environment. I would love to connect with you so that everyone's voice can be heard. Coming from experience as a Girl Scout, Link Crew Leader, and President of many different clubs, I am confident in leadership positions. Lets add more Giants tickets, seat cover for the toilets and so much more! Despite the outcome I'm here for you! Reach out to me @the.elenamariee and get to know me even more!
