Fall 2022 Orientation Online Platform and Virtual Zoom Sessions

Orientation Portal – Complete items at your own pace between now and August 15.

To access the portal, go to: https://www.go2orientation.com/usfcalaw/usfcalaw

Register your account by August 8 by using your full name & USF email account.

username@dons.usfca.edu

Note: If you do not use your USF email, the system will not recognize your account and you will be prompted to complete the Orientation again.

Once you login, you will be directed to complete and review several sections designed to help you learn more about the University, the Law School, and prepare you for your Orientation Zoom Sessions (see below). The platform is very intuitive with an easy to follow self-guided program. You will also find an Orientation schedule with Zoom links to all the online sessions on Wednesday and Friday. In addition, all assignments for the week of Orientation are also posted on the platform along with assigned reading materials. Please be sure to read and review all Orientation reading assignments BEFORE Orientation to ensure you are prepared for all your Orientation classes.

Finally, additional information from various Law School departments are also available on the platform. Be sure to review all departmental information carefully as it is related to both Orientation as well as services and programs you will utilize throughout law school. The online portal also contains a link to the Zero-L program which all students are highly encouraged to complete if you have not already done so.

In order to fully prepare for all Zoom Orientation sessions scheduled for Wednesday and Friday of Orientation week, please review the following important requirements:

All students will need a computer, a webcam, and a headset with a microphone. Access to a printer will be very helpful. When accessing all Orientation Zoom sessions, you must be logged in Zoom through myUSF. Information about how to download Zoom software and additional Zoom information is available at: https://myusf.usfca.edu/ets/educational-technologies/zoom

This will ensure that your attendance is noted by your professors.

If you are a financial aid recipient already receiving the maximum amount of eligible aid but require additional financial aid to assist with a computer purchase and accompanying technical requirements, please contact Eufemia Aquino, the Assistant
Director of Law Financial Aid at lawfinaid@usfca.edu and request a financial aid Budget Increase Request form.

Please remember that attendance is mandatory for all Orientation sessions and attendance will be taken and monitored, including all Orientation Zoom sessions. If you have an emergency and cannot attend a session, please contact the Law Admissions Office staff as soon as possible at lawadmissions@usfca.edu or call 415.422.6586.

If you have questions about Zoom links during the week of August 15, please contact lawstudentaffairs@usfca.edu.
