

Hey University of San Francisco Faculty and Staff!

- \* Wish you had a greener, faster, more affordable way to get to and from campus?
- \* Wish you could get back some of the gas money you are spending monthly?
- \* Wish you could make new friends on your commute to/from campus?

Well, USF is partnering with [Waze Carpool](#) through **November 30th by offering \$1 rides to and from campus and paying those who prefer driving over \$500/month for participating!** Carpooling is a fun, affordable and environmentally friendly way to get to/from campus with colleagues.

As an added bonus, anyone that completes a carpool through November 30th will be entered into a raffle for a [Soundlink Micro Bluetooth® Speaker](#) or a [Patagonia Backpack](#). Each ride is worth 1 raffle ticket! To participate in the raffle, forward your [monthly ride summary](#) email to USF Public Safety ([parking@usfca.edu](mailto:parking@usfca.edu)). Any rides from October and November will be counted towards the raffle. Winners will be selected and notified in mid December.

### ***Are you a rider?***

**Step 1:** [Download Waze Carpool](#)

**Step 2:** **Verify your @usfca.edu email address to match with other Dons and to qualify for promotions**

\*\* Create your carpool account with your personal email but link/verify your @usfca.edu email to trigger \$1 rides!

**Step 3:** In the app, tap Request ride & select the days you want to carpool.

\*\* PRO TIP: keep your departure times *broad* (~3 hr window). This will help you find route matches - you can settle on specific times after matching with another carpooler.
