Crime Safety Advisory: Suspicious Occurrence Reported

Dear USF Community,

We want to make you aware of recent reports of a suspicious occurrence on and around campus. Multiple community members have reported contact from an individual, described as male and wearing Ray-Ban Meta sunglasses, who has approached women with unwanted comments and inappropriate dating questions. Reports indicate that this individual may be attempting to post these interactions online under the account name "pickuplines.pov" on TikTok, Instagram, and possibly other social media platforms.

While no threats or acts of violence have been reported, we want our community to stay informed and take steps to support one another.

If you encounter this individual or any suspicious activity:

- **Take immediate action to report the incident at the time it occurs** by calling Public Safety Dispatch at **(415) 422-2911**.
- **If you're reaching out after the fact**, call Public Safety at **(415) 422-4201**.

Safety Tips:

- Trust your instincts. If something feels uncomfortable, remove yourself from the situation when possible.
- Stay aware of your surroundings, especially when walking alone.
- Walk with friends or in well-lit, populated areas when possible.
- If approached in a way that feels unsafe, firmly decline engagement and create distance.
- Report any concerning interactions so Public Safety can follow up appropriately.

At this point, we have not been able to identify all students who were posted on this account. It can be difficult to determine if you have been impacted by this incident. If you see yourself posted on this account, we encourage you to report the video and the

account to the app platform and to the Department of Public Safety. Additionally, USF resources are available to anyone who feels they have been impacted by this incident:

Thank you for your continued partnership in keeping USF safe.

Sincerely,

Department of Public Safety
