Subject: [USF] Incident at Loyola Village

Dear USF Community Members,

Earlier this evening, USF's Department of Public Safety was informed that a student residing in Loyola Village was in possession of a firearm. Public Safety, the San Francisco Police Department, and members of Student Life arrived onsite to offer assistance for all students involved. Law enforcement determined that the reported firearm was a replica. There was no firearm in the residence hall and no injuries were reported. Student Life staff is continuing to ensure that impacted students are getting the assistance they need.

We remind you that USF Public Safety's patrol and dispatch communications center operates 24 hours a day, seven days a week. Public Safety responds to all reports of accidents, safety issues, crimes, suspicious persons, and hazards on and around the campus. **If you are experiencing an emergency, please call Public Safety at (415) 422-2911.** The non-emergency number for Public Safety (which also operates 24 hours a day, seven days a week) is at (415) 422-4201.

Counseling and Psychological Services (CAPS) support is available to students. CAPS staff can be reached Monday through Friday from 8:30 a.m.—5:00 p.m. by calling (415) 422-6352 or (415) 422-6351, or after business hours by calling (855) 531-0761.

University Ministry support services are available to all community members. They can be reached by calling (415) 422-4463 or emailing um@usfca.edu.

You may also contact the Office of the Dean of Students by emailing deanofstudents@usfca.edu or calling (415) 422-5330.

Thank you for your continued support of one another.

Sincerely,
