The Cultural Centers
The Cultural Centers serve as a hub for students on campus to engage in social issues and events. The Cultural Centers bring together students to enumerate understanding and embrace those cultures, at a diverse community on campus and globally at large.

Cafe International
Cafe International is a community space for international students to socialize, study, and learn about the community. It often features representatives from various university departments and organizations who are interested in international student needs. It is open to anyone on campus resources, and student outside, as well as cultural and students interested by our international students. This semester, these events will take place on Wednesday evenings at 5:30–6:30 p.m. PDT (Sept. 28, Oct. 21, Nov. 4, Nov. 25). Register for an event →

Protests and Safety:
It’s important to engage in further learning surrounding the Black Lives Matter movement. The BLM movement began in 2013 in Florida. This incident highlighted social injustices that exist in American society and are rooted in hundreds of years of oppression and racism. Although many Black leaders and organizations who share information about academic life, career development, and identity.

Black Lives Matter Movement
In the US, you’re probably familiar with the Black Lives Matter (BLM) movement. The BLM movement is a social movement that responds to a specific incident where a Black youth was killed by a police officer in Florida. This incident highlighted social injustices that exist in American society and are rooted in hundreds of years of oppression and racism. Although many Black leaders and organizations who share information about academic life, career development, and identity.
