Members not present: Bob Bathrick, Sonja Martin Poole

Co-chair Hamrick provided a summary of budget assist proposals withdrawn and informed the group that the ITS proposal will be presented in January.

President Fitzgerald shared his inspiring comments and thanked UBAC for understanding the scope and process and challenged the group to think not just for their unit, but to think about common good through the lens of our students.

The guests were invited to present their proposals with Q&A at the end of each proposal. Reference materials available on the UBAC canvas site.

Fr. Paul concluded the meeting with “welcome to my world” and asked UBAC to consider the following questions in weighing the Budget Assist proposals. “What will impact student success, what are new revenue streams, and what investments bring long term health and stability to the University?”

Meeting adjourned 4:00 p.m.
