ECHO360 Assignments

Setting up the Assignment

You can set up a Canvas assignment to allow students to record in Echo360 Universal Capture or upload their own video

Downloading the software

First, you will need to access the online request form located at:

<u>http://itsreservations.usfca.edu/</u> and fill out the information for requesting an Echo Capture account. You will receive an email invitation to join the account. Click on the link to complete the registration and sign into the account page.

Once the account process has been completed, you can then access the Echo Active Learning Platform site at: <u>https://echo360.org</u>

Enter your USF email address in the **Email field** and click **Submit**.

echõ	
	Enter email
	Enter your school assigned email address. If your school uses single sign-on you will be redirected to the appropriate login page.
	Email yoshioka@usfca.edu
	SUBMIT
	Sign up as a new user Alternate login

You will be redirected to the myUSF login page; enter your USF username and password and click Login to Access your Echo account page.

Website URL Echo360 Homework Embed Google Drive

The link to the Echo360 video is then confirmed; the student clicks **Submit Assignment** to complete the process.

Grading the assignment

Once the students submit their assignment, you can review the video and provide the same feedback and grading that you would do for any other submission. On the page for the assignment, click on Speedgrader on the right side of the page.
