How to Update Address (Local, Permanent and Mailing)

1. Go to the USFConnect web site at http://connect.usfca.edu

2. Enter your login ID and password.

3. After USFConnect opens, click on the "Student" tab.

4. On the Student tab, click on the "Student Self Service" link.

5. In Student Self Service, click on the “Personal Information” tab, then click on the link for "Addresses and Phones".

6. If the next page displays an address type of Permanent Residence (Home), then click on the "Current” link to update your Permanent Residence (Home) address with your foreign address information.

   If there is no Permanent Residence (Home) address type listed, then select "Permanent Residence (Home)" as the "Type of address to insert" from the drop-down list at the bottom of the page and then click on the "Submit" button in order to be able to enter your foreign address information.
