WRITING A LETTER OF INVITATION

If you would like to invite a guest (friend, parent, or other extended family member) to visit you in the United States, that person must obtain a B-1/B-2 visitor visa or come to the U.S. under the Visa Waiver Program.

To facilitate the process of applying for a B-1/B-2 visa, you can do the following (optional):

1. Write a letter of invitation that includes the purpose of the visit, your relationship to the individual, a statement of your status here and the length of time they will be visiting (usually less than three months). If the individual has a job to which they plan to return, it is good to mention it in the invitation letter. If you plan to provide for their support while they are here, include that information as well. Use the template on page 2 to prepare your customized letter.

2. Obtain an Enrollment Certificate from the USF Office of the Registrar. This certificate verifies your status as a student at the University of San Francisco. Note: Students who need enrollment verification from the Office of the Registrar must be registered and in good standing. Students should allow a minimum of two weeks for verification (certification) of registration. If you have a real social security number, you may request your Enrollment Certificate through your USFConnect account as follows:
   1. Log on to USFconnect.
   2. Click on the “Student” tab.
   3. Under “Student Self Service,” click on the “Click Here” button.
   4. Click on the “Student” tab.
   5. Click on “Student Records.”
   6. Click on “Request an Official Transcript or Enrollment Certificate.”
   7. Click on the “Click Here” button.
   8. Selecting “Current Enrollment” or “All Enrollment,” and then click on “Obtain an Enrollment Certificate.”

   If you do not have a social security number you will have to request the letter of verification in person from the One Stop office. When requesting your letter, online or in-person, please be sure to indicate what information you want on the letter. In most cases it is better to have all the information about your student status included in the letter.

3. If you state in your letter of invitation that you will provide financial support for your guest, then also include bank statements that prove you are capable of supporting a visitor.

Providing your family members with all of the above papers may improve their chances of obtaining a visa. However, there is no guarantee a visa will be issued. The success of the applicant's request for a visa lies in their ability to prove that they have no intention of staying permanently in the U.S.
