View & Pay

View & Pay, from Higher One, is USF’s new online billing and payment system

View & Pay provides easy access to student account activity. You will be able to view e-statements, make payments, enroll in the payment plan, and sign up for SMS text notifications. You can create Authorized User profiles for parents, spouses, employers, etc., and allow designated individuals access to your student accounts.

View & Pay is accessible from mobile devices, including smartphones and tablets, for students, authorized payers, and guest payers.

Access all of the features within View & Pay on the go by visiting usfca.edu/pay

Refunds are Faster with Direct Deposit

Students with credit balances on their accounts will be able to get their financial aid refunds in as few as five (5) business days with Direct Deposit.

Authorizing Direct Deposit is easy:
- Log on to USFconnect
- Click on the Student tab, then Student Self Service
- Click on Student Account and Direct Deposit Authorization

*Please note: Direct Deposit through USFconnect applies only to Financial Aid and refunds for overpayment.
Go to usfca.edu/refunds for complete information.

Health Insurance Policy 2014–2015

As a condition of enrollment, the University of San Francisco requires Undergraduate, Graduate, and International students to have health insurance, both to protect against unexpected high medical costs, and to provide access to quality care.

For detailed information about enrollment requirements, coverage details, and waiver processes, visit usfca.edu/hps

The opt-out (waiver) period for Fall 2014 ends on August 29, 2014. International students must waive by contacting Health Promotion Services directly at hps@usfca.edu
