Community Relations Policy

USF is located within an urban environment and surrounded by several residential neighborhoods. Guidelines for off-campus conduct have been established in order to uphold standards of behavior that should be demonstrated by USF students when they are present in the surrounding neighborhoods. The University encourages its students to behave as exemplary citizens when present in the surrounding neighborhoods and to demonstrate respect and concern for all members of the local community.

Please note: All freshman students are prohibited from bringing vehicles to campus, and all on-campus residential students are ineligible to receive parking permits from Public Safety. In accordance with San Francisco city planning, sustainability efforts, and in order to reduce the amount of traffic in the residential neighborhood that surrounds the university, USF provides all undergraduate students with MUNI passes each semester, and encourages the use of alternative transportation. For more information please visit the Transportation and Parking information page.

STUDENT CONDUCT EXPECTATIONS

Students are expected to demonstrate respect for all members of the local community regardless of their place of residence. The following are guidelines for all USF students:

1. Be respectful to local community residents.
2. Prohibited behavior includes but is not limited to: littering, loitering, destruction/trespassing of private property, public urinating, public nudity, using rude or abusive language.
3. Operate stereos or other electronic equipment at reasonable sound levels, especially late at night or early in the morning and in-line with San Francisco Police Code Article 29 Section 2909.
4. Maintain an orderly residence. Examples of a disorderly residence include, but are not limited to violating drug and alcohol laws, hosting parties where there is public drunkenness, excessive noise, or other behavior in disregard of the rights of others, violating the Sexual and Gender Based Misconduct guidelines as defined in the Fogcutter Student Handbook.

In all cases involving student misconduct off-campus, the University reserves the right to invoke the student conduct process. Students or organizations found responsible for violating these regulations will be subject to the same sanctions imposed for on-campus violations.
