USF One Card Program Parent Guide

We understand that you, as a parent, have questions about campus life at the University of San Francisco (USF). Our USF One Card Parent Guide will help answer those questions and clarify the USF One Card’s role in campus life.

The Parent Guide provides information on the following topics (with additional information available on our website at www.usfca.edu/onecard):

- USF One Card Program Overview
- Building Access
- Entitlement Verification
- Campus Debit Accounts
  - Flexi Meal Plan
  - Don Dollars
- Contact Information

**USF ONE CARD PROGRAM OVERVIEW**

The USF One Card Program centralizes several key University services, and provides a convenient means with which USF students may access them. These services include building access, entitlement verification and on-campus debit account functionality.

Upon registering for classes or moving into their University housing assignment, students are eligible to receive their first USF identification card (One Card). By simply swiping their One Card, students may enter campus facilities, borrow library books, eat meals and pay for expenses – all without having to carry cash or a different card for each activity. Students also may use printers, make photocopies and do laundry without having to search for small bills and exact change.

**BUILDING ACCESS**

Students use their One Card to gain access into various University buildings and facilities. Their One Cards are issued with default access into certain areas, including the Gleeson Library, Koret Health and Recreation Center and computer labs. In addition, students living in University residence halls are given access to their building and room.

With access provided via the One Card, the frequent problem of lost keys, and subsequent risk to campus safety, is minimized. A lost One Card can be remotely deactivated and building security maintained.

If your student loses their One Card, he or she should immediately phone our office at (415) 422-7663 so that a staff member may deactivate it. This helps protect campus security and any funds associated with the card. Replacement cards are subject to a standard replacement fee.

**ENTITLEMENT VERIFICATION**

Entitlement verification is a comprehensive way to describe the fact that USF students are entitled to certain One Card services and privileges. In providing these services, the University needs an efficient and easy-to-use process with which to verify that the cardholder can and should access them. The One Card Program maintains this process, which is put to use each time a student swipes or uses their One Card.

Examples of entitlement verification include admission to USF athletic events, use of the Koret Health and Recreation center, participation in the Student Rewards Program, discounts offered via the Student Advantage program and transportation privileges associated with the MUNI Class Pass sticker. (For more information regarding these last two entitlements, please see below.)
**Student Advantage**

Student Advantage, the nation's leading student discount program, provides students with exclusive discounts both online and in-store with Amtrak, Greyhound, T-Mobile, BarnesandNoble.com, Foot Locker and thousands of other participating locations. By enrolling your student in the program, he or she will get discounts of up to 40% on travel, laptops, books, clothing and more. Add Student Advantage to your student’s One Card today by visiting [http://www.studentadvantage.com/usf](http://www.studentadvantage.com/usf) and they’ll find out how easy it is to save!

**MUNI Class Pass**

The MUNI Class Pass Program allows traditional undergraduate students to use their One Card in conjunction with a special MUNI sticker to ride on any form of MUNI transit within San Francisco. Traditional undergraduate students who pay the Transportation Fee as part of their tuition are eligible to receive one sticker per fall and spring semester. Other students, including graduate students, undergraduate students in CPS programs and visiting students will be able to purchase the stickers at a discounted price. Inquiries regarding this program should be directed to the One Card Office at (415) 422-7663.

**CAMPUS DEBIT ACCOUNTS**

A student’s One Card is activated to function as a debit card, allowing for cashless purchasing power throughout campus. Debit accounts require the cardholder to prepay into them, after which he or she may make purchases against the available balance.

We encourage students to use their One Card instead of cash to pay for daily expenses and meals on campus. The One Card provides for faster service and, in some cases, cost savings (see the Don Dollars section for more information).

The University offers two debit accounts, both of which are linked to the One Card. Each has unique features and is designed for specific purposes. Both prohibit cash withdrawals once funds are deposited.

**Flexi**

Flexi is the traditional meal plan. It is required for and available only to students living in University on-campus housing (excluding Fulton House, Loyola Village and Pedro Arrupe, which have kitchenettes) and is issued during the on-campus housing assignment process.

Flexi is accepted at all campus dining or “cafeteria” locations which are operated by Bon Appétit. While it may be used during the fall and spring semesters, it is not transferable after the spring semester or between accounts. Flexi is administered by the Office of Residents Life (ORL) as part of the student housing contract. For more information regarding Flexi, please contact ORL at (415) 422-6824.

**Don Dollars**

Don Dollars is an optional debit account available to anyone with a One Card.

Because it is a safer alternative to carrying cash, we encourage students to use Don Dollars to pay for on-campus expenses, such as fax transmittals, passport photos, card holders and other services/merchandise that we provide in the One Card Office. There are no cardholder fees or hidden costs associated with the account, and Don Dollars is accepted everywhere on campus that cash is. Moreover, students who pay with Don Dollars receive a discount at all campus dining locations, as well as a discount on photocopies made from campus copy machines.

It is important to note that cash cannot be withdrawn from the account, ensuring that all funds are used for University expenses. Also, the account belongs to the cardholder. While someone (e.g., a parent or guardian) may make a deposit on the student’s behalf, for security reasons, we may only provide account information to the cardholder.
Parents and students may activate a Don Dollars account at anytime and deposit in any amount (not to exceed a total of $1,499). Unspent balances transfer from semester to semester and from year to year. Upon graduating, taking a leave of absence or otherwise withdrawing from the University, if your student has a remaining Don Dollars balance, he or she may request a refund by completing a Closed Account Form, which can be accessed via our website at www.usfca.edu/onecard. (Please note that once a Don Dollars account is closed, it cannot be reactivated.)

**Guidelines**

The campus debit accounts provide a convenient and safe alternative for taking care of everyday college expenses. To help you make informed decisions regarding your student’s funds, please consider the following guidelines:

*What are typical college expenses?*

Typical college expenses (see the chart below for estimates) will vary depending upon many factors, such as a student’s major, whether he or she purchases new vs. used books and whether he or she commutes vs. lives on campus.

<table>
<thead>
<tr>
<th>Item</th>
<th>Per Semester</th>
<th>Per Year</th>
</tr>
</thead>
<tbody>
<tr>
<td>Books</td>
<td>$225 - $500</td>
<td>$450 - $1,000</td>
</tr>
<tr>
<td>Laundry</td>
<td>$50 - $100</td>
<td>$100 - $200</td>
</tr>
<tr>
<td>Vending Machines</td>
<td>$50 - $100</td>
<td>$100 - $200</td>
</tr>
<tr>
<td>Photocopying</td>
<td>$10 - $20</td>
<td>$20 - $40</td>
</tr>
<tr>
<td>Laser Printers</td>
<td>$5 - $10</td>
<td>$10 - $20</td>
</tr>
<tr>
<td>School Supplies</td>
<td>$75 - $100</td>
<td>$150 - $200</td>
</tr>
<tr>
<td>Meals*</td>
<td>$300 - $400</td>
<td>$600 - $800</td>
</tr>
<tr>
<td>Total</td>
<td>$715</td>
<td>$1,230</td>
</tr>
</tbody>
</table>

* The estimated total for meals is for students who live off campus only. Students living on campus will use their Flexi meal plan.

*Which plan should my student use: Flexi or Don Dollars?*

- Flexi is required for and available only to students living on campus (unless in Fulton House, Loyola Village or Pedro Arrupe), and is accepted at campus dining locations
- Don Dollars is available to anyone with a One Card, and is accepted anywhere that cash is

Also recall that at the end of the academic year, students often have a Flexi balance, which does not carry forward – it must be spent by the end of the spring semester or it is forfeited. Don Dollars, on the other hand, rolls over to the following year and any remaining balance is returned to the cardholder upon separation from USF.

*How does my student (or how do I) manage available funds?*

Cardholders may view their current balance and transaction history anytime by visiting our website at www.usfca.edu/onecard and logging in with their USF Connect username and password.
For your convenience, Don Dollars may be deposited at anytime via our website or at the Cash2Card machine, located on the second floor of the University Center. During business hours, deposits also may be made in person at our office in Lone Mountain, Room 130 or via fax at (415) 422-6664.

Flexi is managed by the Office of Residents Life (ORL), which can be reached at (415) 422-6824.
